

RIS Room Display — User Guide

Central Silom Tower · RIS floor · 12 meeting rooms

Room status indicators

Available

Room is free — you can book it

In use

Meeting in progress — check in if it's yours

Soon

Next meeting starts within 30 minutes

Pending

Awaiting room owner approval

How to book a room

- 1 Tap **"Book Room"** on the tablet display (only appears when room is available)
- 2 Enter your name, email, and meeting title
- 3 Pick a start time and duration (30 min to 2 hours)
- 4 Tap **"Confirm"** — you'll receive an Outlook calendar invitation

⚠ **Macchiato** is the only room requiring owner approval. All other rooms are instant booking.

During your meeting

✓ Check in

Confirm you're using the room.
Unchecked rooms auto-release
after 10 min.

+30m Extend

Add 30 minutes if the next time
slot is free.

× End meeting

Release the room early so others
can book it.

Mobile dashboard

See all 12 rooms at a glance from your phone or laptop:

pom7220.github.io/Display-Room/dashboard.html

Tap any room to see its schedule or book it. Auto-refreshes every 60 seconds.
